

Paddison Square Construction Well On Its Way

The City of Norwalk reports that Duckett-Wilson Development Company, who is in the process of adding more businesses to Paddison Square Shopping Center, is making steady progress on their project. The center is located on the corner of Norwalk Boulevard and Imperial Highway.

The following structures are being added to the Paddison Square Shopping Center:

- 2,600 square foot building on Norwalk Boulevard on North side of Bank of America will house Verizon Fuse Mobile.
- 2,600 square foot building on Norwalk Boulevard between Chevron and Bank of America. Tenant still yet to be determined.
- 10,800 square foot building adjacent to the Target Garden Center. This building will contain 6 tenant spaces ranging from 1,132 to 3,000 square feet. So far, businesses confirmed for this building are Payless Shoes, L&L Hawaiian Barbecue, and Professio Nails & Spa.

Along with the development of the new buildings, they are also remodeling and modifying the existing Paddison Square with new exterior facades. The overall effect of the facades will be to give the center a great new look.

Another on-site improvement will be the replacement of the existing parking lot lighting fixtures. There will be a total of 17 new on-site parking lot light fixtures added throughout the shopping center.

Some additional architectural features and changes within the Paddison Square Shopping center will include:

- Arches and columns throughout the shopping center
- Tower elements throughout the center to provide added depth and dimension
- A 6-foot wide building canopy that projects from the exterior walls of each of the new existing on-site buildings. Not only will this provide an overhead cover for the pedestrian walkways around the shopping center, it will create a strong architectural element that unifies and links all of the buildings.

Completion of this project is scheduled for the end of October. We look forward to the center's new look and the impact it will have on the Imperial Hwy. and Norwalk Blvd. intersection. The project will further enhance the look of Norwalk's Civic Center and the amenities it offers. The City of Norwalk welcomes all the new Paddison Square businesses to our community.

Thai Issan Grand Opening

and wife Tom Mulvihill and Samone Keo, provided guests at the celebration a buffet of Thai and Lao food.

Thai Issan is located at 14419 Pioneer Blvd. in Norwalk. Hours of operation are Monday-Saturday from 11:00 a.m. – 9:00 p.m. The restaurant has a catering service as well. For more information please call (562) 863-5575 or visit www.thaiissanfood.com.

Docari Respiratory Medical Supply

Docari Respiratory Medical Supply recently celebrated their grand opening with a ribbon cutting ceremony on August 12th.

Docari Respiratory Medical Supply provides a broad range of medical equipment and supplies, ranging from electric scooters to latex gloves. This business has been in operation since 1997. After relocating to Santa Fe Springs in 2003, Docari's owner, Rick Rufino, decided to move to Norwalk.

The Norwalk City Council and guests at the ceremony enjoyed a performance by Mexican Folklorico courtesy of the Academy de Colores of Spirit Family Services. A 4-wheel scooter was also raffled off at the event. Docari Respiratory Medical Supply is located at 12948 South Pioneer Avenue. For more information please call (877) 227-6925.
