City Announces Parade Route Change

On Saturday, October 21, 2017, the City of Norwalk will host the Arturo Sanchez, Sr., Halloween Parade beginning at 11:00 a.m. The parade, now in its 34th year, will feature high school bands from all over Southern California, classic automobiles, floats, equestrian and military units, clowns, and local children in their favorite Halloween costumes.

Planning for the parade is well underway, and the City is seeking new entries for this very special event in its **new location**. Businesses, service organizations, and clubs are encouraged to participate. The deadline to submit applications is Friday, October 6. Residents can also be part of this popular Norwalk tradition by dressing up in their favorite Halloween costume and marching in the parade.

Beginning at 9:15 a.m., a costume contest will be conducted at the corner of Norwalk Boulevard and Mapledale Street at Waite Middle School field. Preregistration is not required. The parade will begin at the intersection of Norwalk Boulevard and Mapledale Street, concluding at Hermosillo Park. For applications, please go to http://www.norwalkca.gov/city-hall/departments/recreation-park-services/special-events or call (562) 929-5521.

*Due to street and median improvements taking place on Pioneer Boulevard, the parade route has been moved east to Norwalk Boulevard. Residents in this area will be affected by temporary detours and “No Parking” zones during the event. As the map shows, the parade will go south on Norwalk Boulevard from Mapledale Street to Alondra Boulevard, continue west on Alondra to Horst Street, move south on Horst to 162nd, go west on 162nd and conclude at Hermosillo Park. Parking will not be allowed along the parade route area from 6:00 a.m. to 3:00 p.m. If the parade route prevents you from leaving your property during event hours, you are asked to leave your vehicle on an unaffected street before the barricades are set up the morning of the parade.*

Additional Parking at Norwalk Entertainment Center

The parking lot behind the Civic Center Food Court was recently expanded. There are 17 additional parking spots making it much easier for the public to grab a meal at one of the local eateries.

Reducing the City’s Energy Consumption

New LED lighting fixtures have been installed along walkways at Sara Mendez Park, Vista Verde Park, Hermosillo Park, New River Park, Ramona Park, Zimmerman Park, Gerdes Park, and Glazier Park.

These installations represent an energy savings of approximately 88,000 kilowatt hours (kWh) annually. In addition, the City will receive rebates of approximately $20,000 from So Cal Edison for the project.

Future lighting projects include the replacement of fixtures at Norwalk Park and new poles and additional lights along the new north walkway at Hermosillo Park.
Sailing Camp

Graduates from the Family Intervention Academy recently participated in a four day sailing camp at the United States Sailing Center in Long Beach. Besides learning basic sailing skills and water safety, the twelve campers practiced sportsmanship and teamwork and developed an appreciation for the ocean and outdoors.

The campers had so much fun on the open waters that many proclaimed a desire to continue sailing after camp.

For the fifth straight year, City staff were successful in obtaining a grant to provide at-risk youth the opportunity to attend. The Family Intervention Academy offers programs for youth to help them improve their self-esteem, develop their communication skills and empower them to deal with different social issues. The next session of the Family Intervention Academy starts on September 11. For more information, please call (562) 929-5761.

NORWALK STAY ALERT

The past few months have seen a proliferation of phone scams with callers posing as utility company employees. However, where previously the callers threatened to shut off service due to an overdue bill, a new scam involves the callers telling residents that their utility is going to be shut off or their street closed for repairs. The scammers hope that by notifying residents they won’t have any electricity, water or even access to their street for several hours that residents may choose to stay away from their homes ‘during repairs’ leaving the properties vulnerable to theft.

Please be advised that City of Norwalk staff will not call residents to notify them of any utility shut offs or street closures. Depending on when the work is set to begin, notification is done via a door hanger or a notice mailed to residents in the affected area.

In order to protect yourself from falling victim to this or any other phone scam, follow these tips:

Never provide any personal information over the phone. Don’t ever let callers know whether you live alone or the hours you are away from your home.

Call the appropriate utility company to verify a shut off or the City of Norwalk’s Engineering Department at (562) 929-5723 to verify a street closure.

If you have any questions, please contact Norwalk Public Safety at (562) 929-5732.

September is National Preparedness Month. Educate and empower yourself and take some simple steps to prepare for natural disasters and emergency events. One of the most important steps you can take is creating or maintaining emergency supply kits. Be sure to have enough supplies to survive three to seven days and add unique items your family needs. Consider having one full kit at home and another smaller portable kit for your workplace, vehicle or any other place you spend time.

Basic Emergency Supply Kit Items:
• Water – one gallon per person per day for drinking and sanitation
• Food – maintain a supply of non-perishable food and sanitation
• Water – one gallon per person per day for drinking and sanitation
• Dust mask to help filter contaminated air and plastic
• Whistle to signal for help
• First aid kit
• Flashlight and extra batteries
• Battery-powered or handcrank radio and batteries
• Food – maintain a supply of non-perishable food and sanitation
• Pet food and extra water for your pet
• Infant formula and diapers
• Prescription medications and glasses
• Important family documents – copies of insurance policies, identification, and bank account records in a waterproof portable container
• Cash and change
• Matches
• Extra clothing and shoes
• Matches
• Feminine supplies and personal hygiene items
• Fire extinguisher
• Extra cups, plates, plastic utensils, and paper towels
• Books, games, puzzles or other activities for children
• Paper and pencil
• Paper cups, plates, plastic utensils, and paper towels
• Books, games, puzzles or other activities for children

E-Waste Collection, Shred-A-Thon & Rain Barrel Distribution Event

The City hosts an Electronic Waste (E-Waste) Collection and Shred-A-Thon on Saturday, October 7 from 9 a.m. to 2 p.m. at City Hall, 12700 Norwalk Boulevard (enter via Avenida Manuel Salinas). E-waste contains potentially toxic substances and should never be placed in trash cans or dumped out in the street or alley. Bring old, unwanted e-waste for recycling and up to five boxes of documents for secure shredding on site.

- **E-Waste accepted:**
  - TV’s
  - Computer Monitors
  - Cell phones
  - DVD players
  - Printers
  - Fax Machines

On the same day, the City, in partnership with LA County Libraries, will sponsor a Rain Barrel Distribution from 9 a.m. to 2 p.m. at the Norwalk Library, 12350 Imperial Highway. Rain barrels can be used to collect and reuse rain water to irrigate landscaping while reducing the amount of potable water used. Rain barrels must be pre-purchased at www.rainbarrelsintl.com under the events tab. Only rain barrels purchased in advance are guaranteed to be available for pick up.

Rain barrels are $65 plus tax at time of purchase; but are only $30 after a $35 rebate! There is a maximum of two rain barrel rebates per household, and they must be submitted in one single application.
