

# Late Night Weekday Dial-a-Ride Enhanced Service Open Forum

The City of Norwalk Department of Transportation is pleased to announce an enhancement to the Dial-a-Ride (DAR) Taxi Program through Fiesta Taxi. Effective, November 1, 2017, there will be a designated taxi stationed in Norwalk specifically to utilize for taking late night weekday trips within Norwalk (i.e. shopping, dining, etc.). Also, the taxi will be wheelchair accessible. All other features of the program remain the same.

Please be reminded that DAR patrons will be required to bring their TaxiCard with them every time they ride the DAR taxi. The cards will be swiped at the start and at the end of each taxi ride.

Norwalk Transit System and Fiesta are excited to share the service enhancements with you. Please join us for light refreshments and an overview of the enhanced service for the Late Night Weekday DAR Program:
